✦ DESSERTS

OREO CHOCOLATE CHIP COOKIES

Soft, chewy cookies loaded with crushed Oreos, white chocolate, and chocolate chips.

25 MIN

Ingredients

DRY

- **1 cup** flour
- **½ tsp** baking soda
- **¼ tsp** salt
- **¼ cup** sugar
- **¼ cup** brown sugar

WET

- **3–4 tbsp** full-fat oat milk
- **2 tbsp** plant-based butter, melted (recommend Miyoko's)
- **¼ tsp** pure vanilla extract

MIX-INS

- **1/3 cup** dairy-free chocolate chips (recommend Enjoy Life)
- **1/3 cup** dairy-free white chocolate chips (recommend Enjoy Life)
- 4 Oreos, crumbled

Method

1. Preheat the oven to 325°F.
2. Mix all the dry ingredients: 1 cup flour, ½ tsp baking soda, ¼ tsp salt, ¼ cup sugar, and ¼ cup brown sugar. Crumble the 4 Oreos.
3. Melt 2 tbsp butter in the microwave.
4. Mix all the wet ingredients: the melted butter, 3 tbsp oat milk, and ¼ tsp vanilla extract. Add more milk if needed to get everything to combine.
5. Mixy mixy: stir the wet ingredients into the dry, then fold in 1/3 cup chocolate chips, 1/3 cup white chocolate chips, and the crumbled Oreos.
6. Roll out into balls of whatever size you like.
7. Add to a baking sheet and bake for 10–13 minutes, depending on cookie size. I guess if you just made one giant one, I have no idea how long that would take.
