✦ SAUCES

CASHEW CREAM SAUCE

A silky, savory cream made from boiled cashews: the dairy-free secret behind creamy pastas and sauces.

30 MIN

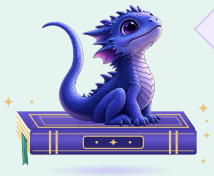

Ingredients

- 1 **cup** raw unsalted cashews
- 1 **cup** water
- 1 **tsp** lemon juice
- 1 **tsp** salt
- 1 **tsp** nutritional yeast

Method

1. Boil 1 cup cashews in a pot for 20 minutes. Remove them from the pot and let them cool.
2. Once cooled, blend the boiled cashews with 1 cup water, 1 tsp lemon juice, 1 tsp salt, and 1 tsp nutritional yeast. The recipe's measurements are suggestions, so season to your taste.

✦ NOTES ✦

Tasting too much cashew flavor? Add lemon juice. Tasting too bland? Add salt or nutritional yeast. Too thick? Add water. Too thin? The mixture will thicken naturally over time. Worst case, start over!
